Hilliard Charity & Fellowship Outing: A Brief History

(Formerly: NOVA Transportation Charity Golf Tournament)

Our tournament has been in existence for Fourteen years as a semi-annual event. It began in the Spring of 1994 with 8 individuals on a golf outing. We enjoyed the fellowship, so we invited others to join us in the Fall. In the Spring of 1995, we started our present day format of giving to charities and individuals in need. In the first charity tournament, we collected a little over \$200.00. Due to your generous support, the tournaments in 2008 netted over \$25,000.00 for various charities and 4 partial scholarships. Through the fourteen years of the tournament, we have raised in excess of **\$240,000.00 for charity and funded 32 partial scholarships**. Past charity recipients include: several Va. and Md. food banks, aid to Hurricane Isabel relief, various Hospice Chapters, American Cancer Society, Make-a-Wish Foundation, Jimmy V Foundation for Cancer Research, American Heart Association, Flood victims in Southeastern Virginia, ARTBA Highway Workers Memorial Scholarship Program, Children's Hospital, Shiners' Children's Hospital, Cystic Fibrosis Foundation, Edgemoor Recovery Center, St. Jude's Children's Hospital, UVA children's hospital, Susan G. Komen Breast Cancer foundation, Red Cross for Hurricanes Katrina and Rita and numerous individuals that were in need both within our construction family and outside. I wish to express my sincere appreciation for the gallant efforts that you have shown in the past and hope you will continue to do so in the future.

Sincerely,

Roger Hilliard, Founder and Chairman
